# BOY SWEAR!

There is boys' wear and boy's wear. Some is  
good and some isn't: some fits and some doesn't:  
some has style and a good deal hasn't: some is cheap  
and some isn't: some is cheap, no matter what the  
price, and some is dear at any price. So when you  
want Boys' Suits, don't you think you had better  
come here for it?

**HOLD FAST TO THAT WHICH IS GOOD.**  
Lady: "Your recommendation is certainly a good one. I am  
especially glad to know you do not use 'washing powders.' The  
last laundress I had, I discharged, because she would use them, con-  
trary to my instructions, and completely ruined the house linen and  
the clothes of the entire family."  
Landress: "I never use any kind of 'washing powder' or  
'soap powder.' I always use Ivory Soap, for it is as easy to wash  
with as anything I ever saw, and it does not burn my hands nor  
make them sore."

**A WORD OF WARNING.**  
There are many white soaps, each represented to be "just as good as the  
'Ivory';" they ARE NOT, but like all counterfeits, lack the peculiar and remark-  
able qualities of the genuine. Ask for "Ivory" Soap and insist upon getting it.

**Using Them for Fifty Years.**  
ARABIAN, PETER CO., WIS.,  
Dec. 2, 1885.

For upward of fifty years I have used  
BAXTER'S PILLS. I am now nearly  
eighty years old and in good health. That  
my faculties are still intact is due to this  
fact, and this only, that I have almost re-  
solutely refused to take any of the ex-  
ception of stronger medicines to restore me  
to health whenever either seriously indisposed  
or in great suffering from colds, backache,  
etc., and am deeply grateful, next to my  
Maker, to the blessed man who originated  
and placed within the reach of his follow-  
ings so simple and efficacious a remedy.  
For bilious derangements and kidney dis-  
turbances, their usefulness, in my expe-  
rience, is particularly noticeable.

New York, January 16, 1885.  
I have, on several occasions during the past few years  
and without the knowledge of the manufacturers, analytically  
examined cans of CLEVELAND'S SUPERIOR BAKING  
POWDER purchased by myself in the markets, and I take  
pleasure in recommending it to public favor as a baking  
powder that can be relied upon for purity, wholesomeness  
and strength, as I have never found it to be adulterated with  
lime or to be impure in any sense whatever.
